

CECILIA VADILLO

Pilar, Buenos Aires. Argentina.

cecivadillo@gmail.com |

<https://www.linkedin.com/in/cecilia-vadillo/>

Dedicated to teaching technology to children for 37 years, I decided to expand my horizons and challenged myself to study new things and learn how to develop mobile and web applications. I learned HTML, CSS, Sass, Git, GitHub, Firebase, Bootstrap, JavaScript, and React.js. Today, I look forward to collaborate on projects that allow me to continue growing and create intuitive applications that solve problems and adapt to different devices.

EXPERIENCE

KINDERGARTEN AND PRIMARY SCHOOL IT TEACHER
